

J New Club Branch - Submit with Notification of Club Branch (CB-1)

J Existing Club Branch

Submit this form, along with any new member applications, to the parent club president to request approval of new branch members; update contact information of existing members or drop members. The parent club secretary should include this report with its Monthly Membership Report to International Headquarters. If MyLIC is used, the report does not need to be submitted to International Headquarters, except in the case of a new Club Branch.
