The Secretary  
Gympie Lions Club  
Subject: Branch Membership  
Date: 15<sup>th</sup> April 2016

I would like to request on behalf of the Club Branch that the Gympie Club consider the following proposal to resolve any of the current impasse between both parties.

- a. That the Gympie Club considers that the vote taken by a show of hands at a general meeting for the new members in question be taken as Gympie Members endorsing their nomination.
- b. That the Gympie Board takes at the next board meeting reinstates their membership.

I would like to point out to the board that in 2014 both volunteered for Gympie Lions Club for the three days at the Gympie Show.

I also would like to inform the board that both volunteered for the first time in 2015 for Gympie Lions at the Gympie Muster for the week.

Given their hard work and support already for the Gympie Lions Club it would seem that any question as to their commitment to Lions has already been proven and do not deserve what the Gympie Club has suggested.

I wish to advise the Gympie Lions Club that today we were advised by the National Headquarters that our branch has been approved by LC and will be known as "Australian Motorhoming Club Branch" until chartered.

The Branch Number is 129293

The relevant documentation and appropriate badges that go with the Branch recognition are currently underway to the President of Gympie Lions Club.

We ask that the forms CB-1 and CB-2 be signed by President Col and returned to LCI as soon as possible.

I have forwarded a copy of a transfer form to be filled out for the transfer of the following Gympie Club Members to the Club Secretary:

Lions Len and Lorraine Waddington  
Lions Clive and Joan Adcock

I would ask that that current Board give thought to the logistical problem for a national mobile Lions Club to present any new member under the existing constitution.

This does not mean that the branch is intentionally setting out to breach any of the Club rules all we ask is that we receive the same flexibility within the rules as currently being given on a number of occasions

Regards,  
Lion Len Waddington  
President
